REGULAR CARE AND LEGAL GUARANTEE:

Regular cleaning is important to keep the upholstery fabric looking its best and to extend its life. The guarantee is subject to the correct use of the fabric and its maintenance.

It is usually recommended that upholstered furniture with normal commercial use should be cleaned 2–3 times a year.

Upholsteries in private households usually need less frequent cleaning. In order to ensure satisfying cleaning results, we recommend to contact a professional cleaning institute.

Please follow the maintenance instructions of the technical data sheet.

Il Gyo Gyo ha una struttura a quattro colori di filato 100% eco-sostenibile e riciclato.

Per struttura e per i colori a contrasto dei filati e dell'elastene che sono mescolati, il disegno risulta profondo e tridimensionale; il look diventa contemporaneo ma eclettico al contempo.

La lavorazione e il finissaggio delle macchine circolari e l'accoppiatura elastica conferisce stabilità dimensionale.

a four-color structure of 100% eco-sustainable and recycled yarn. The structure and jacquard weaving give depth to the design, the contrasting colors of the yarns and elastane are mixed; the look becomes contemporary but eclectic at the same time. The processing and finishing of circular machines and the elastic coupling gives dimensional stability. FR on request.
