LIVING YOUR WAY

**KOSMO BOUCLE**

**Categoria**

**C**

**Ricorda un prato fiorito, ispirato alla primavera e al tripudio di colori e riccioli che spuntano prepotentemente per scomporre la ripetibilità dell'ordito disponibile in due varianti: BLU e ARANCIONE.**

**Il tessuto risulta essere molto ricco ed eclettico, una mano carezzevole ma non di certo per chi cerca la praticità.**

**It is reminiscent of a flowery meadow, inspired by spring and the riot of colours and curls that spring up to break up the repetition of the warp available in two variants: BLUE and ORANGE. The fabric is very rich and eclectic, a caressing hand but certainly not for those seeking practicality.**
